

Dear Parents, Students and Returning Booster Members:

The Encinal High School Booster Club's main purpose is to support EHS athletic programs. The bulk of our money is raised by our Annual Crab Feed/Silent and Live Auction fundraiser which will be held in February 2007. We also raise funds through membership fees, donations and last year our EHS Alumni group held a golf tournament that benefited boosters. All funds collected through these events go into a general Booster fund and are then distributed to **ALL** Encinal High School athletic teams.

EHS Athletic Boosters have purchased scoreboards for the gym that benefit the basketball and volleyball programs. We have paid for **all** tournaments that our students have participated in; helped maintain both the football and baseball fields. We have purchased uniforms for our baseball, basketball, soccer, and track teams. We have replaced volleyball standards; helped purchase parkas for the swim and water polo teams. We have contributed to the transportation fund. In the 2005/2006 school year, over \$30,000 was spent on transportation for the various athletic teams. The school only received \$13,000 from the district.

Membership is required of all students that participate in athletics at EHS. Membership is \$50 per student. Additional donations are greatly appreciated.

Thank you very much for your support of all our students at Encinal High School

Please complete the form below. Checks should be made out to EHS Athletic Boosters.

2006/2007 Athletic Booster Membership

Student Name: _____

Parent(s) Name: _____

Address: _____
